## THE GRIDIRON CLUB

### We Are...

Parents, Faculty, Alumni, Community Supporters, and Friends who love football and the athletes who play the sport.

### Our Purpose is to...

- ◆ Provide positive support and assistance to Gator football players and coaching staff.
- ◆ Promote the highest standards of spirit and sportsmanship.
- ◆ Support and enhance the football program through volunteer assistance and fundraising programs.
- ◆ Sponsor events and provide funds for the purchase of items that are not covered by the athletic budget.

The Gridiron Club is seeking sponsorship for its 1st annual golf tournament. Funding raised through the tournament will benefit the Captain Shreve High School Football Program. These funds will help cover many of the football team's annual expenses such as player's uniforms, buses for team travel, and equipment for players and coaches. Join us and network your target audience. Sponsorships will benefit you and your company by:

- ◆ Demonstrating your support for the community through support of our young athletes.
- ◆ Increasing and expanding your company's visibility.
- ◆ Standing out and gaining the attention of potential clients and customers.
- ◆ Capitalizing on an easy and affordable way to promote your products and/or services.

All Individual and Corporate Sponsors will receive the following additional benefits and exposure:

- ◆ Recognition in the tournament brochure
- ◆ Recognition on the Captain Shreve Football website
- ◆ Opportunity to put your marketing item (s) in Player's Goodie Bags
